current physical SIM making it soft SIM as far as security and privacy are concerned.

Both, Jio and Bharti are selling the Apple Watch 3 series in the country through their respective sales channels.

The Reliance Industries subsidiary has also alleged that it is neither aware whether Bharti has made necessary changes in its Lawful Interception Monitoring (LIM) solution nor if it has offered this service for LIM demonstration to the DoT and security agencies.

"We request your good office to take severe action against Bharti and impose the strictest of penalties under the licence. Furthermore, we request you to direct Airtel to immediately stop this service and start it only upon complying with the requirements of national security and addressing the violations of the licence terms and conditions," Jio said in its complaint to DoT.

Vijaya Bank tags RNaval NPA from March quarter

PRESS TRUST OF INDIA
Mumbai, May 13

THE STATE-RUN Vijaya Bank has classified the Anil Ambani group-led Reliance Naval & Engineering (RNaval), whose auditors had recently expressed doubts about the company's ability to continue as a "going concern", as a non-performing asset (NPA) from the March quarter.

The firm, which was earlier known as Pipavav Defence & Offshore Engineering, was bought over by the Anil Ambani group in 2016 which renamed it Reliance Defence & Engineering. It owes over ₹9,000 to over 24 banks, mostly state-run, led by the troubled IDBI Bank.

The Bengaluru-based Vijaya Bank said the action was necessitated by the February 12 changes that RBI had brought to the NPA resolution framework, which while scrapping all the existing frameworks, including debt restructuring, asked banks to consider even 1-day delay in payments as default which if not cleared in 180 days should be sent to NCLT.

"A few accounts, including Reliance Naval, were under various restructuring schemes like the SDR and S4A by all the lenders. With the February 12 circular, RBI made it clear that all those accounts where restructuring could not happen by then, have to be treated as NPAs.

"Reliance Naval was under restructuring (SDR), but the

implementation could not happen, and so, it slipped into NPA from the March quarter," a senior Vijaya Bank official told PTI over phone from Bengaluru over the weekend. The official further said the bank has made adequate provisions for the RNaval account in the March quarter without disclosing how much is its exposure and how much it has provided for.

A mail sent to the firm on Saturday evening did not elicit a response till the time of transmission of this story.

Reliance Naval is the second firm from the Anil Ambani group to become NPA after its once-flagship but now-bankrupt Reliance Communication, which is already at the Mumbai NCLT.
