**NOTICE CUM ADDENDUM**

**NOTICE CUM ADDENDUM TO THE SCHEME INFORMATION DOCUMENT (SID) AND KEY INFORMATION MEMORANDUM (KIM) OF ALL SCHEMES OF TATA MUTUAL FUND EXCEPT TATA ETHICAL FUND**

Effective date: 5th November 2018

Clearing Corporation of India Limited (CCIL) vide notification no. CCIL/L&S/18/114 dated 29th October, 2018 has notified introduction of Tri-party Repos and discontinuation of CBLO with effect from 5th November 2018. As per the terms of CCIL, Tri-party repos shall be settled in Cash and shall have Eligible Government Securities as collateral.

Tri-party Repo means a repo contract where a third entity (apart from the borrower and lender), called a Tri-Party Agent, acts as an intermediary between the two parties to the repo to facilitate services like collateral selection, payment and settlement, custody and management during the life of the transaction.

In view of the above:

- All reference to Collateralized Borrowing and Lending Obligations (CBLO) is replaced with Tri-party Repos in Scheme Information Documents of all schemes of Tata Mutual Fund except Tata Ethical Fund.
- The following clause is inserted under Section 'II', 'Information about the Scheme', under sub-section 'D', 'Where will the Scheme invest?'.  
• Tri-party Repo on CCIL platform with Government Securities as collateral.
- The following clause is also inserted under section 'I', 'Introduction', under sub-section 'A', 'Risk Factors', under 'Scheme Specific Risk Factors':

**"Risks associated with investing in Securities Segment and Tri-party Repo trade settlement:**

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. The members are required to contribute an amount as communicated by CCIL from time to time to the default fund maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). CCIL shall maintain two separate Default Funds in respect of its Securities Segment, one with a view to meet losses arising out of any default by its members from outright and repo trades and the other for meeting losses arising out of any default by its members from Triparty Repo trades. The mutual fund is exposed to the extent of its contribution to the default fund of CCIL, in the event that the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, as a result the scheme may lose an amount equivalent to its contribution to the default fund."

**Notes:-**

- This addendum will form an integral part of the SID and KIM of the schemes.
- All other terms and conditions of the SID/ KIM read with other addendums including the Risk-o-meters of the schemes remain unchanged.
